FOREWORD

*The Class of 1933 presents The Chimes—
a gesture of welcome to those who shall
come; a reminder to those who remain; and
the finale for those who are leaving. It is
the hope of the Class that this book will be
turned to frequently in future years for a
passing glimpse of some of the highlights
of school days, and in its pages find a source
for the renewing of our love for, and loyalty
to our Alma Mater.*

The Dramatic Club activities got an early and enthusiastic start this year. In our new workshop, the Tabernacle, we have much more room to work, as well as to store our properties. As a result, we are able to make our work more successful, and can train more students in amateur dramas.

The first semester we presented Ian Hay's "Happy-Go-Lucky"; the second semester our program was much heavier with the presentation of a Lincoln play, "Light On A Dark Day," a mountain play, "Civilizin' Abner's Cove," and Shakespeare's "Twelfth Night."

Our work is not only in acting, but we design the sets, make the furniture, and scenery, plan the lighting scheme, and a student, by being the assistant director, learns to actually direct, block out, and prompt a play. Dr. Raine offers a special no-credit class in Make-Up to those interested. Through these activities we hope to send out people who have some knowledge of play management and directing.

Alpha Psi Omega is a national honorary dramatics fraternity. To become a member, one must have twenty-one points made in dramatic work. Half of these points must be in acting, but the other half must be in construction, direction, managin, or some original work in designing, or writing a play.

Our membership at present is rather small, but we have several qualified members to be taken in this year.

For the enrichment of the Education Department the Education Club was organized a few years ago. Those who have as many as twelve hours of professional work may become members. All of the current educational problems cannot very easily be brought up in every class, and it is the purpose of the Club to further the stimulation for the study of some of the strategic situations which confront the progressive educators of today. Only by the liberation of the capacities of the students, as well as the teachers, will the stagnation of the school system be prevented. Through the informal discussions and the addresses given by outside speakers, the importance of the educational profession is impressed upon the minds of the members and visitors.

Interest in French Club activities this year, has been apparent in the unusual attendance at the bi-monthly meetings. The programs have been varied to meet the needs of students in different stages of linguistic effort and ear training.

The program committee has demonstrated that "marionettes" can dance in French, that the game of French authors and one act plays are worth the effort, that one profits by listening to a French lecture on a literary topic, or a lantern slide talk on regional France. The Club members are grateful to those who have had this work in charge.

The work of the year closes on May 20th with the election of officers for the coming year.

The Student Council, the executive body of the College Women's House Government Association, has as its purpose the enforcement of existing house regulations, the furthering of the best living conditions for the girls in the College dormitories. Membership is made up of the president, class representatives, and two faculty advisors. The major portion of the Council's work in 1932-33 has been the revision of the constitution of the Association.

The Berea College Young Men's Christian Association is affiliated with the National Association and the World Student Christian Federation in promoting not only local and state but national and international, inter-racial, inter-denominational cooperation for Christian service in all phases of human relationships. Through the channels of intellectual growth, creative living, personality development and freedom of expression, the Association has worked for the advancement of the young men on our Campus. At all times it has been the purpose of the local organization to work toward this worthy goal through its campus program and through the various student conferences in which it has participated.

The past year's program may be judged a success to the extent that it has provided an opportunity for every college man to participate in activities which promote the highest human values in life.

The Young Women's Christian Association of Berea College, a member of the Young Women Christian Associations of the United States of America, and a participant in the World's Student Christian Federation, declares its purpose to be:

We, the members of the Young Women's Christian Association of Berea College, unite in the desire to realize full and creative life through a growing knowledge of God.

We determine to have a part in making this life possible for all people.

In this task we seek to understand Jesus and follow Him.

In following this purpose the Y. W. C. A. this year through her various activities has attempted to meet specific individual and social problems.

With a membership of 300 students, drawn from three departments, the Union Christian Endeavor Society is Berea's largest organization.

Of most importance to the Society are the regular weekly meetings, furnishing inspiring devotional programs, dramatics, and music, with effective and pleasing variety. The group singing is particularly enjoyable, as are also the frequent treats to all kinds of special musical performances. In dramatics Christian Endeavor claims distinction—having a regular Dramatics Class, directed by Mrs. Ada Sherwood, which staged no less than seven plays this year, all of them commendable amateur productions. Special study groups under Reverend Huntington and Mr. H. J. Christopher have made progress.

The community welfare work conducted by Christian Endeavor at Thanksgiving and Christmas is merely indicative of the year-round spirit of cheerful helpfulness. Always there are members teaching in rural Sunday Schools and serving in other ways. To "be true," to "look up, and laugh and love and lift"—that is the way a favorite old song expresses the ideal of Christian Endeavor. And the name itself suggests a freely acknowledged imperfection coupled with a zeal for service and self-training in the Great Adventure.

The members of the forensic group of the year were capably maneuvered by Professor J. W. Sattler through a more than ordinarily successful schedule.

WOMEN'S FORENSICS

The women were specially successful in forensics this season. Of oratorical contests, the Home affray was won by Miss Dorothy Slaughter, who afterwards took second in the State competition. Runner-up in the Home contest was Miss Irene Pennington, the gatherer of second place in the Triangular and of third place in the contest of the Southern Association of Teachers of Speech.

With a debate corps consisting of Misses Crumley, Hammon, Rader and Scott, Berea persuasively argued the question, Resolved: That the United States should agree to the cancellation of the Inter-Allied War Debts. Competing teams encountered were from the University of Cincinnati, debated after the Oregon fashion; Transylvania, Maryville, Georgetown and Morehead State. Exhibiting superior debating skill, Misses Crumley, Rader and Scott, comprising Berea's entry in the Women's tournament of the Southern Association, successively acquired victories over Nazareth, Mars Hill and Asbury, winning the championship of the Southern States.

The high point medal was won by Harriet Gates.

MEN'S FORENSICS

Men's forensics were equally satisfying; not unparticularly oratory. In the Home Peace elimination Jerome Helton was chosen to represent Berea in the State combat. First position in the annual Home oratorical was captured by Hubert P. Robinson, who subsequently won the State competition, and who, at the time of publication, is preparing to depart for Northwestern University, there to uphold the prestige of Kentucky oratory in the National contests. Second to Mr. Robinson in the Home contest was Arthur Woodruff who won second place in the Triangular. The winner of third place in the Home competition was H. Copley Davis, who participated in the contest of the Southern Association, ranking third in that competition.

In the local Extempore speaking contest, first place was taken by Walter Brown, second by Fred B. Eutsler and third by Henry Limbacher. As Berea's participant in the contest of the Southern Association, Brown collected the third position.

Winn Zeller participated in behalf of Berea in the After-dinner speaking competition of the Southern Association.

Arguing also the question, Resolved: That the United States should agree to the cancellation of the Inter-Allied War Debts, Berea's debating squad consisting of Baird, Brown, Dawn, Eutsler, Gambill, Janes, Limbacher, Lycan, and Stephens, opposed Transylvania, Morehead, the University of Kentucky and Centre in the Triangular, each other in a demonstration debate before Mt. Vernon High School, Waynesburg, Bowling Green, University of Dayton, Michigan State, University of Tennessee, Maryville, and Georgetown. In a collision with the University of Louisville, given broadcast over station WHAS, Leonard Stephens effectively contended for Berea.

Representing Berea in the tournament of the Southern Association, Stephens and Brown alternated positions in a "round robin" extending at length to six debates. Defeating the University of Louisiana, Wake Forest and Mars Hill, Berea tied with Asheville Normal College for the tournament ranking of second.

At the Regional tournament of Tau Kappa Alpha, scheduled tentatively to be held at Wabash College, May 10-12, Berea plans to be represented in all contest features.

The high point medal was won by Jerome Helton.

HIGH SPOTS

Freshman Days and the Boarding Hall makes a good first impression.

Classes begin, to the delight of everyone?

Everyone took to the hills for the annual outing.

Girls' societies give open meetings for Freshman girls.

The initiations will be remembered by some.

Each professor argues against them but each as forcefully continues giving tough ones.

"In the Spring . . . etc."

Late Spring finds various "cults" the order of the day.

CALENDAR, 1932-33

- 9-10 Freshman Days begin . . . Says a Freshman, "I never dreamed I'd come to this."

ALUMNI

PURPOSE

The Alumni Association of Berea College is an organization of graduates and former students of the College and graduates of the Allied Schools. It is the purpose of the organization to promote at all times the best interests of Berea College, and to maintain a mutually beneficial relationship between Berea College, its Allied Schools, and their graduates and former students.

MEMBERS

The following groups are eligible for membership; 1. The recipients of all degrees, heretofore or hereafter granted. 2. Former students of the college may become members of the Association after the graduation of the class with which they were last connected. 3. Graduates of the Secondary Schools allied to Berea College may become associate members of the organization, an affiliation which entitles them to regular membership in their respective school association.

DUES

All who are eligible may become members of the Alumni Association by the payment of such dues as have been designated. These dues may be paid directly or they may be paid through the Berea Bonds of Loyalty. These are attractive bonds in the denomination of fifty dollars stipulating that the holder will pay ten dollars a year for a period of five years. While the bonds offer an excellent method of contributing to both the College and the Alumni Association, no one should fail to make himself a part of the paid-up membership because he does not wish to bind himself in this way. All are welcome, regardless of the amount of dues they may choose to pay.

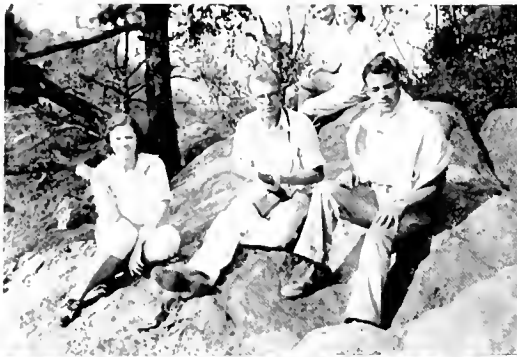

CLUBS

There are a number of loosely organized Berea Clubs scattered throughout the country in which the graduates and former students are keeping alive the friendships formed on the campus, or making new ones upon the basis that one Berean has so many things in common with every other Berean. Each of these clubs welcomes into its membership those who reside in its respective territory. Newcomers into the localities where these clubs are located will be welcomed at all meetings with a hearty handshake in which the beat of a Berea Heart is always felt. The Alumni Office is always at your service in making Berea contacts.

IN THE SERVICE OF BOTH COLLEGE AND ALUMNI

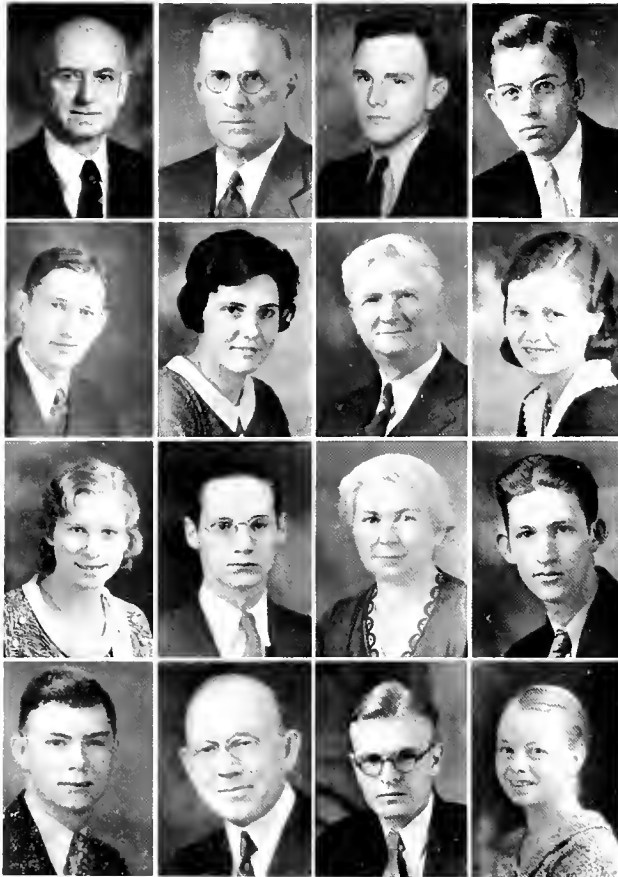

While built upon deep underlying college sentiment, the Alumni Association aims to be of distinct service to its members and to the College. To this end an office is maintained where valuable address lists are kept; historical and statistical material is continually being gathered about the alumni; news of interest to alumni is gathered and distributed to members of the Association through the *BEREA ALUMNUS*; an appointment bureau is maintained for the service of graduates. The Alumni Office has fast become a clearing house for all kinds of alumni relations; and every year new ways are sought through which the office may contribute to the welfare of both College and Alumni.

Pi Gamma Mu is the National Social Science Honor Society. It is not an ordinary society. It has no secret features of any sort. Its name is simple and modest, merely the initials of the Greek words meaning "Students of Social Science."

Pi Gamma Mu has two sorts of members: chapter members, who are college seniors, juniors, alumni and instructors, men and women, who have attained a high degree of scholarship and have distinguished themselves in the study of social science, and second, members at-large, who are teachers of social science in recognized colleges and universities and active social workers.

The four objectives of Pi Gamma Mu are: 1. To stimulate and intensify the interest of college and university students in the scientific study of society. 2. To make the scientific study of social questions a life-interest for college graduates. 3. To promote cooperation among the several branches of social science and a feeling of identity in the contributions required of all to the solution of social questions. 4. To popularize the scientific study of society and its problems in some such fashion as natural science has been popularized.

MISS EUPHEMIA KIPP CORWIN

Berea 1905-1933

The Pinnacle of May 28, 1933, was dedicated to Miss Euphemia Kipp Corwin. Nothing that The Chimes Staff might add too or delete from the dedication would enhance its thoroughness. We print it gladly as our tribute to a woman whose fine work will always be appreciated.—Editor.

"It is an evident fact that in the industrial world men too often forget the other fellow. It is also true that the surest way to success and friendship is through cooperation and service to the group. It is a wholesome thing that though some people do forget their fellowmen, though some lose the spirit of cooperation, yet there will remain a large number whose ideals are very different. There are of course both men and women whose minds are so crowded with problems and difficulties that they forget many of the great truths and issues of life, thereby forgetting many of the simplicities of life. Blessed is the man or woman whose life is not so governed.

"Will we not all agree that thirty years of devotion and service for any institution is an almost incomparable contribution? Will we not all agree that according to Berea's history great strides of progress in library development have been made in the past thirty years? Yes, we probably will. We know that the library has grown from one crowded room to one of the most beautiful and most vital parts of the campus.

"With these things in mind, we turn our thoughts then to the one who is most responsible for this work, Miss Euphemia Kipp Corwin, retiring librarian. The Pinnacle Staff joins her many friends in expressing their deepest appreciation for all she has done and in one accord say 'Hats off to you!'

"Berea and all its people recognize the great tasks that have been performed by Miss Corwin. It can well be said of her that she has in these years understood adults and youth, she has sensed and loved those blessed relationship of youth, shared its joys its hopes, its aspirations, and its friendships, in her acquaintance with young people through these years.

"In recognition of the work she has done, in devoted love and honor to her whose life and personality have been a ray of splendor in the library and about the campus for these many years, this edition of the Pinnacle, published by the students of Berea College, is lovingly dedicated."—J. C. W.

ATHLETICS

BASKETBALL SEASON

With an experienced squad and the highlights from the Sophomore Class, early performances of the aggregation warranted the prediction of a third state championship team of Mountaineers. However, the season's record fell somewhat short of expectations.

Facing Coach Gunkler's humble five at the Homecoming game was the powerful Alumni team favored to win by those who had not had the opportunity to observe the Varsity demonstrating the technique of real basketball in preparation for this gala event. By the largest margin yet recorded in the series of games between the Alumni and Varsity, the latter smashed through for a crushing victory of 44-27.

VARSITY SQUAD

Coach Gunkler, Robin Byron, Hatcher, Bennett, McMillin, Frazier, Roger Byron, Wyatt, Mgr. Singleton, White, Campbell, Evans, Capt. Sharpton, Dyar, Combs.

Coach Gunkler

Capt. Sharpton

The boys had ample time to recover from the Thanksgiving battle before facing another foe. The cagers began the holidays by defeating the Sue Bennett five 57-21. With Campbell's sensational push shot and Evans' superb performance as pivot man, the London boys fell easy prey before the Blue and White invasion.

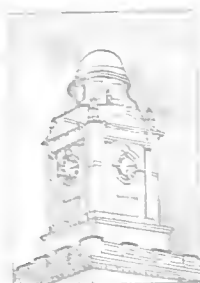

A crippled quintet still suffering from the effects of flu contracted during the Christmas holidays were barely able to eke out a victory over the Centre College Colonels in the first post-holiday encounter and the beginning of the KSIAA competition.

Evans

Dyar

Soon after the invasion by the Danville boys came the Louisville Cardinals with a dogged determination to march through the door of victory, but were persuaded to follow in the footsteps of the fighting Colonels.

The Union College Bulldogs had the audacity to break the winning stride assumed by the local hoopsters by presenting the latter with the small end of a 27-22 score.

Still suffering from the poison administered by the Bulldogs the Mountaineers displayed unmerciful vengeance in trampling the Wesleyan Panthers 60-42 and failed to completely recover before serving as host to the Georgetown Tigers and Wesleyan Panthers—exiting each by the back door of defeat.

February 4th saw the Mountaineers again yielding to tradition as they walked head-long into the net set for them by our ancient rivals of Eastern State Teachers' College.

On the northern invasion the boys probably exhibited the best performance of the season. Louisville, unable to check the attack, suffered a 48-26 defeat. In the second battle they engaged the fighting Hilltoppers who seemed just a bit too strong for our boys.

Hatcher

Pleased with performance on the tour and memories of the previous humiliating defeat at the hands of the Eastern Maroons, the Blue and White supporters dared hope for a continuation of good ball playing and revenge from the Eastern Teachers. However, the gods would not have it so.

After barely nosing out Georgetown the Mountaineers entered the tournament at Winchester, defeating the entertaining team, but were halted by the shrewd Hilltoppers, State Champions. We are very proud of the superior type of ball exhibited in the tournament by the Mountaineers.

The closing of the season saw the finish of three collegiate basketball careers— namely, Pat Dyar, Clarence Wyatt, and Byron Bennett. These men will greatly strengthen the Alumni team.

CROSS COUNTRY

The cross country of this year probably produced the best group of long distance runners that has ever been in Berea. At the beginning of the season, however, the outlook was far from bright. Dodson, cross country and track star of former years, who had always taken first in his meets, was unable to run because an appendicitis operation undergone a year ago still gave trouble. Singleton and Strunk, letter men of former years, were not out. These losses were somewhat offset by the addition of Carter, star of last year's Freshmen team. An early meeting was called by Kelley, captain of the team, and a program of practice was arranged. Rodda was elected manager of the team, and soon the team was in hard training. Soon a meet was scheduled by Mr. Quimby with the University of Cincinnati. This team had always been very strong, and Berea suffered a rather severe defeat there last year. Although prospects were declared favorable

THE CHIMES

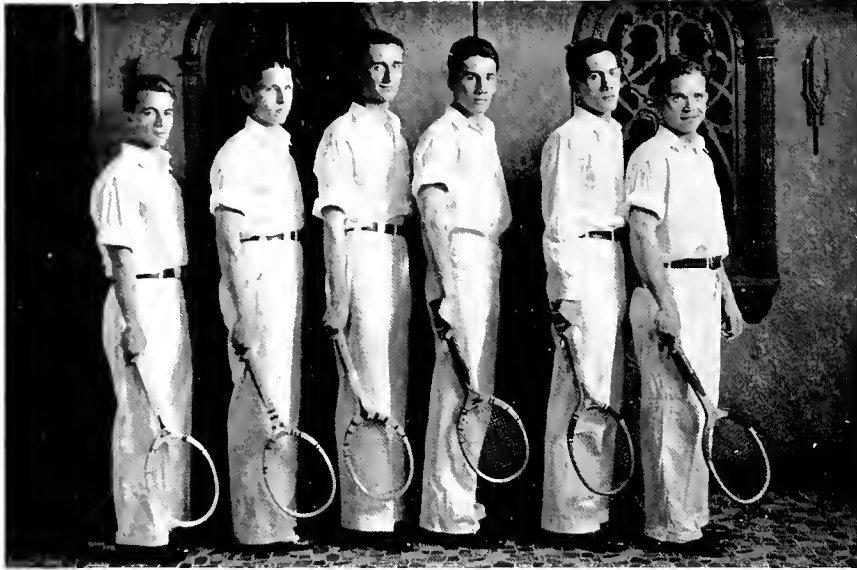

and the team trained vigorously, the outcome of a meet with the university team was doubtful. The try-out was held and the six men chosen to represent Berea were: Ted Carter, Jessie Hallman, Walter Combs, Howard Burdine, Clarence Wyatt, and Luther Kelley. The course ran in this race was approximately three miles with a handicap of five fences. After the try-out Berea's hopes were much higher, but still it was not known just what kind of material Berea had, this being the first meet. To the surprise of everybody this meet turned out to be a "walkover" for Berea. Probably no Berea team has met like material with such success. As was expected Carter took first place, but in addition he tied Dodson's record for the three miles at 16:05. Hallman of last year's Freshmen team turned out to be something of a dark horse, placing second. Combs placed third with wonderful improvement over his last year's record. Burdine, a new man, placed fourth. The only Cincinnati man to place came fifth. Wyatt who suffered an injured foot in the first part of the race barely beat Cincinnati's second man for seventh place. Thus Cincinnati placed only one man, and Berea reaped ample revenge for the defeat of last year. The times for the Berea men were as follows:

Carter, 16:05; Hallman, 16:27; Combs, 16:42; Burdine, 16:43; Wyatt, 17:01; Kelley, 17:03.

With a team of this sort the only serious handicap was lack of competition. Kentucky supported no other cross country teams this year and it was impossible to schedule other intercollegiate meets. Intermural meets were arranged, but the strength of the varsity team was greatly reduced when with no prospects of an intercollegiate meet in sight, Combs and Wyatt stopped their running to train for basketball. Also due to his injured foot Kelley was unable to run again during the entire season. In the intermural meets the Varsity team was supported by Davis, Zimmerman, Stephens, and Ball who substituted for the others. However, Varsity was unable to regain its former strength, and was defeated by the Freshmen and Academy teams. Academy had the steadiest team on the campus and won all their meets. A triangular meet was arranged in which the three teams of the campus participated. The star of this meet was Albert Stewart, a Freshmen dark horse, who stepped off the three miles in the record smashing time of 15:46. This season three records were broken. In the meet with Cincinnati Carter tied the record at 16:05; in the Varsity-Freshmen he lowered it to 16:02; and in the Varsity-Academy meet brought it down to 15:54. This was broken in the Triangular meet by Stewart for a final record of 15:46. John Caudill of Academy ran a close second, being timed at 15:50. There has been much speculation as to what would have been the result had Dodson been able to defend his record. Dodson's Southern record for the mile and two mile still holds, and it was much regretted that this splendid runner was unable to compete this year.

Carter was elected captain for next year, and the prospect for a winning intercollegiate team is even better than ever. Stewart will be running for Varsity next year, and he and Captain Carter are fairly sure to take first and second anywhere. Every effort is being made to secure more meets and that, apparently, is all the team will require.

Kauth, Byron, Arnett, W. Combs, S. Combs, Bertram

TENNIS

With only a week's outdoor practice, the 1933 Varsity Tennis Team was initiated by the powerful University of Kentucky team to the tune of 8-0 at Lexington. Coach Quimby drilled his men hard for the first S.I.A.A. opposition in which the Blue and White easily trounced Transylvania 8-0. Then followed a practice match with the Academy which the Varsity won 8-0.

Eastern fell before the smooth-stroking Mountaineers by the score of 8-0. Centre withstood the Berea invasion 4-3 by winning two close three-set matches.

The Eastern Teachers made a more determined stand at Richmond than at Berea. However, the "Quimbyites" played up to standard to win by 6-1. Centre and the University of Kentucky are yet to be met in return matches.

Under the careful guidance of Dr. Quimby this year's Varsity played steady and consistent tennis. None of the players were spectacular but all played up to expectations. Much credit is due Dr. Quimby for his coaching.

The prospects for next year's team are good. Captain Samuel Combs, a veteran of three years, Kenneth Arnett and Tony Kauth, each two-year players, will be lost by graduation. However, with Clarence McCall, "Wart" Combs, Charles Bertram, and Roger Byron playing much better tennis next year and with at least three good men from the present Freshman squad, Dr. Quimby should have the best team in the K.I.A.A.

Bennett, Gunkler, Edney, Taylor, Ezzard, Gibson, Evans, Peters, Dyar.
Dews, Byron, Moore, Wyatt, Campbell, Spear, Payne.
Owens, White, Carter, Sharpton, Hayes, Davis, Burdine, Hatcher, Jones.

TRACK

Our new 440 track added some interest to the real Spring sport this year. Early in the season practice was held off by the continued rains, but we were not entirely disappointed by the score of our first meet with the University of Cincinnati.

In our next meet the team easily whipped Centre. The University of Kentucky defeated our boys by a good margin.

Eastern was easy pie for the hash eaters. "They run like foxes," one Eastern boy remarked when he saw Stewart and Carter sailing around the cinders.

Georgetown was able to tie us in the last duel meet of the season. This was a hard fought meet, and was probably one of the best of the season.

Berea College's track team is noted for its distance men. This year we were weak in dash and weight men. In other events the Mountaineers held their own with any team in the state.

Both the Varsity and Freshman track teams started off with great hopes for complete victory for the season.

Last year the Varsity team won the S.I.A.A. State meet. This year we were favored to win until about two weeks before the State meet. Our hopes were somewhat dampened by the fact that one of our best men was suffering from a pulled muscle. We lost the State meet by one point.

The Freshman team easily won over all other Freshman teams in the State.

We brought home two loving cups this year. With good material in sight, our hopes are high for next year.

Bertram, Ford, Kalavski, Capt., Hilton, Colvard.

SPEEDBALL

Speedball has had a very successful season. In addition to the annual dormitory tournament there were two others—the College-Academy and the Gym Instructor-All Star games. The College won the title by a safe margin, their passing being too superb for the less experienced youngsters who had to resort mainly to kicking tactics for their points. The Gym Instructors won their game with the All-Stars.

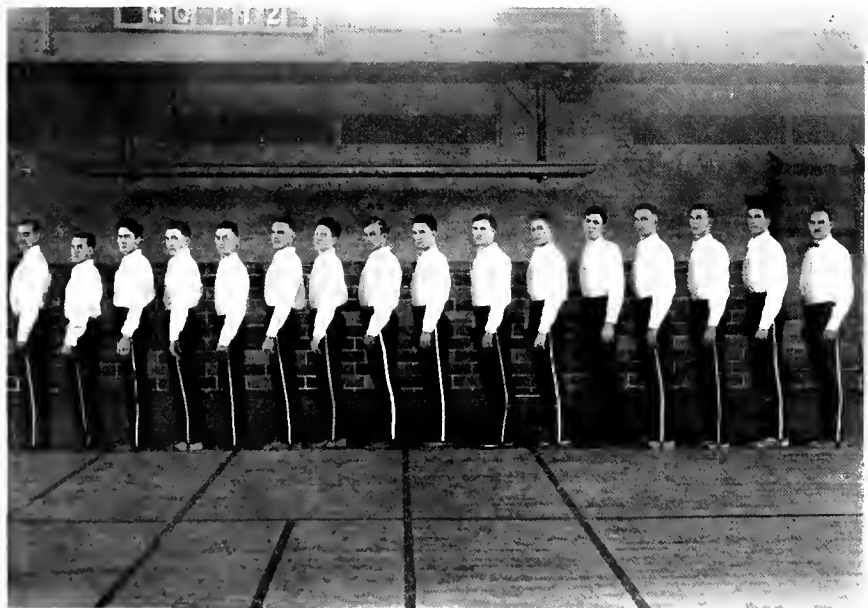

The dormitory championship was unusually interesting this year. The Pearsons third floor south team, composed mostly of Varsity basketball men, was the early favorite to win the championship, but an unexpected upset came when the Pearsons second floor team annihilated them 13-3 allowing them only one field goal. The second floor team, under the leadership of Captain Kalavski, went through the season without a defeat. The final game of the tournament between the outside dormitory team and the second floor team was the most interesting game of the year. After the lead had changed back and forth at least a dozen times, the game ended in a deadlock. In the overtime period the second floor team managed to eke out a pass over the line to cop the championship, 15-13. Each player of the winning team was presented with a medal.

1932 STATE TRACK CHAMPIONS

This group was the 1932 State Track Champion. Because of the lateness of the state event last year the cut could not be included in the annual. We consider it a pleasure to present it this year along with other groups which we hope will recall to your mind many pleasant occasions in later life.

W. A. A. BOARD

Patty Ritchie, President; K. Helen McKinstry, Director; Anna Belle McLaughlin, Vice President.
Viola Cook, Archery; Irene Pennington, Treasurer; Marjorie Patton, Secretary; Mabel Best, Swimming.
Eva Isaacs, Baseball; Ethel Fannon, Track; Charley Burnfin, Basketball; Dorothy Slaughter, Hockey;
Emma Cairns, Tennis.

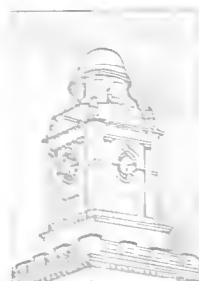

WOMEN'S ATHLETIC ASSOCIATION

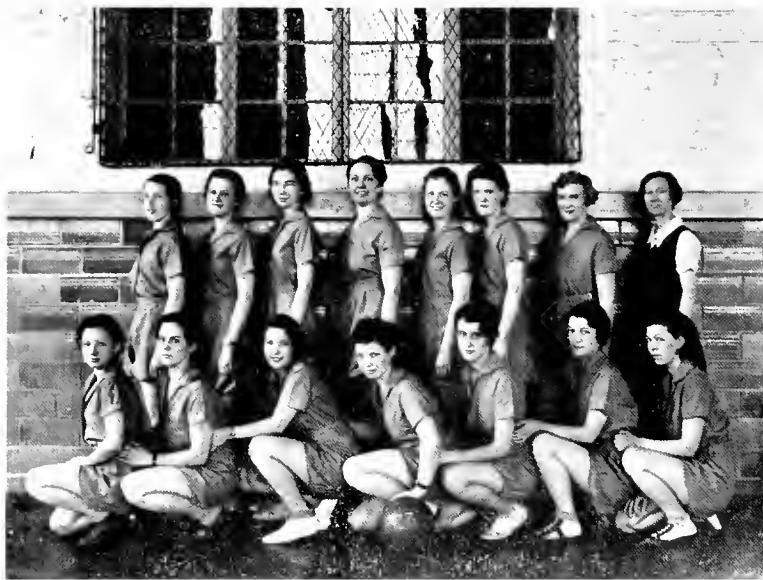

Another successful year for the women's athletic association is coming to a close. More new members than usual and just as many old members as last year.

Because of the increased interest and ability in the Red Cross Life Saving Corps the total number of points necessary to win an insignia has been increased from 1100 to 1200 points and Life Saving has been added to W.A.A. activities for points. The award for 300 points earned is class numerals, for 800 points a Berea B with the final award an insignia designed by our W.A.A. and woven by a student in The Fire-side Industries.

The fall activities sponsored by the association and its officers are, field hockey, tennis, archery; in the winter basketball holds the record for participants; in the spring track and field, baseball, tennis and archery all have their enthusiasts, while swimming and hiking are all year round activities.

Here's to an even bigger and better W.A.A. next year!

UPPERCLASSMEN BASKETBALL

Chenille Brown, Cuelina, McGuire, Browning, P. Pichio, F. Richis, Mrs. Horwedel, Metcalf, Cole, Elliott, Pennington, Goins, Robinson, Muntz.

FRESHMAN BASKETBALL

ARCHERY

An Archery Team composed of eight girls entered the Third Annual Women's Inter-Collegiate telegraphic Archery Tournament held May 15-22, 1932, and placed seventh among 72 colleges and universities that entered.

The following girls were members of the team: Lillian Coleman, Viola Cook, Rebecca Metcalf, Anna Nenni, Irene Pennington, Helene Runnion, Alma Walls, and Elsie West. Five of these eight girls received silver pins, making scores between 325-399 in a Columbia Round: Viola Cook, Rebecca Metcalf, Irene Pennington, Helene Runnion, and Elsie West.

COLLEGE BASEBALL

Metcalf, Ann Elliott, Whittaker, Wolfram, Fannon, Rodes, Harwood, Harper, Miss McKinstry, McLaughlin, Ritchie, Callison, Stapleton, Campbell, Burnfin, Dixie Elliott, Crumley, Devton.

"B" CLUB

Wolfram, Ritchie, Elliott,
Nesbitt, Hill, McLaughlin, Metcalf.

B. Club members must be active in W.A.A. It is necessary to accumulate 800 points in order to be eligible for the club.

RED CROSS LIFE SAVERS

Zekany, Patton, Pickel, Headley, Ritchie, McLaughlin, Cardwell.
Metcalf, Rodes, Elliott, Runnion, Cameron, Best, Leonard, Worley.

The Life Saving Corps consists of the following new members: Vivian Cardwell, Ruth Harlow, Alvina Headley, Pearl Leonard, Anna Belle McLaughlin, Rebecca Metcalf, Ruby Pickel, Marjorie Patton, Patty Ritchie, Hannah Trigg, Jane Stafford, Lura Worley, Julia Zekany

The Life Saving course has been an extensive educational program covering: the general knowledge of safety in and about the water; the skill and training necessary for rescuing a person in danger of drowning; and the method and technique used in resuscitation of persons apparently drowned.

LITERARY SOCIETIES

This year of 1932-33, the literary societies of the Academy have experienced one of the most successful seasons in recent years. The opportunities offered to the Academy students through the literary societies are only a few out of many, which are not included in the regular courses of study. However, the benefit derived from society work is at the head of the list in educational value. The literary societies, through the various contests, provide many essential elements of knowledge that are not offered in the classroom. The eight societies on the campus are wholly student organizations. They teach the value of systematic organization and planning; they develop constructive thinking, and teach how to express these thoughts; and they teach the value of cooperation.

In the various contests held throughout the year, there was no one outstanding person and only one outstanding society, Lenorian, one of the women's societies. This was one year when the talent was more evenly divided among the different societies. Davis Morton of Pi Sigma won first place in Story Telling, a contest in which both boys and girls took part. The Men's Declamation contest stimulated much interest. Out of twenty-six entries eight entered the final contest, which was won by Elzie Wesley of Adelphic. First place in the Women's Declamation contest was won by Jane Moore of Lenorian, who also won the district honors and won second place in the state contest at Lexington. The honor of first place in the Men's Oratorical contest was awarded to Waymon Smith of Adelphic. The Women's Essay contest consisted of two entries from each of the four societies. Ruth Harlow of Lenorian took first place. The Prose Reading contest created much interest. Each society had two three-member teams. Each team read in competition with every other team twice. In this contest there were three undefeated teams namely; Aeliolian, Lenorian, and Sororian.

The debate's in the Men's societies were immensely interesting because of the competition involved. There were two series of three debates each. The winning teams were evenly divided in the first series. Pi Sigma having one undefeated team won the honor of first place in this series. In the second series Sigma Tau and Beta Alpha won three and one debates respectively. Pi Sigma will be honored with the debate banner this year.

The Public Discussion contest involves both boys and girls. In this contest one of four chosen subjects is announced one hour before the contest, and each of the representatives speak on the same topic. This contest remains to be held at the time of this writing.

In addition to these regular scheduled contests Adelphic staged a mock trial in their own hall and another one in cooperation with Sigma Tau in the Academy chapel.

This has been an unusually prosperous year for all of the societies and it is hoped that this interest may be carried on as the years pass.

The Student Council of the Academy Sunday School consists of one representative from each Sunday School Class, elected by the class. The Council elects its own officers and the superintendents of the Sunday School and Executive Committee. It meets once a month, chooses student superintendents to serve for one month each, and conducts other business for the Sunday School. Through this Committee the students may bring their problems and suggestions concerning the Sunday School work to the Council, the Dean, and the Faculty.

ACADEMY DEBATE

After suffering an early season disappointment due to the loss of two experienced debaters, the Academy squad came back in a truly courageous manner and succeeded in winning the cup emblematic of the district championship.

There seemed to be little likelihood of anyone's breaking up the combination of Ed Wells, Elzie Wesley, and Wilbur Bearinger, even though some very talented candidates answered the call. However, when illness compelled Wesley to drop out of school, and west-end interests necessitated Bearinger's presence elsewhere, two of these candidates stepped into the breach with admirable results.

The final team, that which met during the season Ashland, Mt. Sterling, Danville, Paint Luck, Lexington, Berea High School, and Lancaster, was composed of Read Clark, John Fenn, and Ed Wells. These speakers were on the winning side until they had the misfortune to meet Louisville Male High School at the state meet.

ACADEMY MEN'S ATHLETICS

In the field of athletics the year 1933 stands out as never before for the Academy men. More interest has been shown, and more have participated in the many varied sports than in any previous year. May the future be as successful and more so if possible. A desire to compete more with other high schools of the state has been growing stronger each year. Who knows what the future of the Academy athletics will be!

FOOTBALL: To the regret of many, football, one of the major sports of former years, was not permitted this year. The Physical Education Department thought that it would be better to adopt in its place other sports which would give more a chance to participate.

BASKETBALL: Under the most able leadership of Coach Hughes, the Academy Basketeers enjoyed a most successful year. During its entire history this popular sport of the Academy has never been under more capable leadership than it has had this year, never has it gone as far in the tournaments as it did this year. In the inter-school series it placed second to the strong Freshman team. Although defeated by the Freshmen each time by only a small margin, the Academy men showed much ability against a more experienced team.

For the second time the Academy was represented in the Kentucky High School Basketball Tournament. They entered the district meet at Richmond and began by defeating the Annville team and then the strong Berea High team. They were victors in the two other games in the district meet, thus winning the trophy. From there they entered the regional tournament and went to the semi-finals where the London team defeated them by a close score of 18-16. They were represented by Hale on the All Regional Five, a team chosen from all the teams participating in the tournament.

BASEBALL: The spring sport of baseball is fast warming up. The men mean to hold on to their title of institutional champions. They are eagerly waiting for a chance to knock the strong Varsity team cold. C'mon home with flying colors! Don't stop!

SWIMMING: Under the excellent coaching of "Doc" White the swimming team is really splashing some and is working hard to bring home the awards as it has done in the past.

TRACK: The Academy track team is sprinting on at full speed. They have high hopes of making an excellent showing in the state meet at the University of Kentucky which is to take place some time in May. Last year the loss of men due to ineligibility kept them from maintaining their usual high standing, but this year they are coming back with strong eligible material, hoping to regain and surpass their former records. Under the leadership of their new but well-experienced coach, Pat Dyar, the future looks bright for them.

The Academy Cross Country Team again brought home the inter school title. Jumping gullies, fences, and bushes, the team, working together managed to take all the meets as they came.

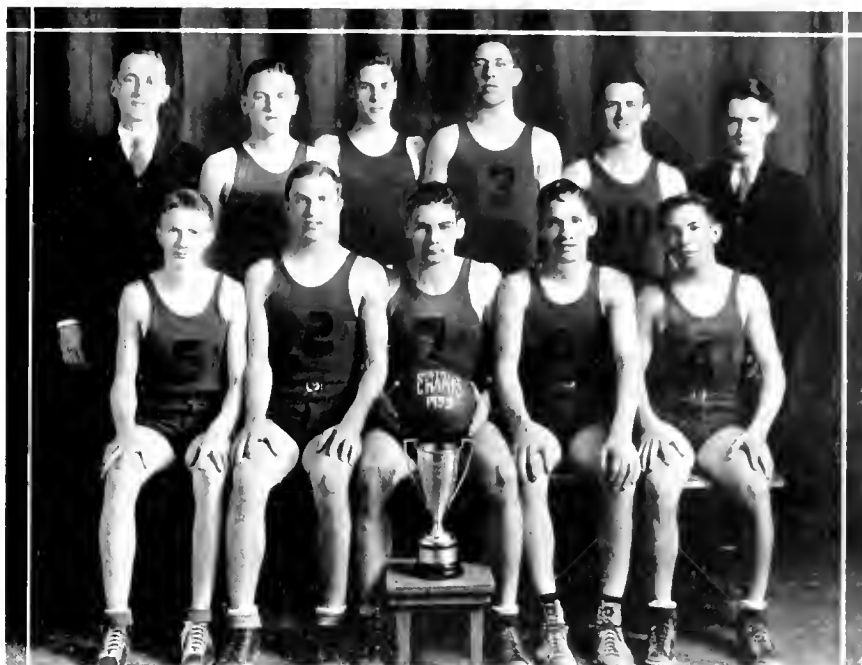

MINOR SPORTS: No longer can we easily name the minor sports of the Academy. They are speedily growing into major sports, with many participating in them. It is the purpose of the Academy to make more participants and fewer onlookers.. In the previous years, only the skilled few could take part; now all have a better chance to develop their athletic talent both in intra-mural and inter-school activities.

The inter-school speedball series was won by the First Floor Putnam and Marshall team, winning over the former champions of Williams Building by a 1-0 score.

Inter-dormitory basketball was developed to a very high degree this year. There was more competition and more basketball talent developed than ever before. The Williams Building coming from behind by using excellent team work, carried away the medals and later defeated the College winners for the institutional championship.

The Class Basketball series was won by the seniors due to the good coaching of Prof. Pray.

ACADEMY SPEEDBALL TEAM

Ritchie, Gamauf, Bollinger, Bailey, W. Baker, C. Baker, Hager, Combs, Wilson, Henderson, A. Hale, Aitken, C. Combs, Fowler, H. Hale, Capt., Arnett, Mgr.

SPEEDBALL: One of the major inter dormitory sports was speedball. After much strong competition the team composed of First Floor Putnam and Marshall men nosed out Williams Building, the holders of the title, by a score of 1-0, receiving the speedball medals. The All Star team of the Academy was defeated in a close game by the College, giving the inter school title to that department.

ACADEMY TRACK TEAM

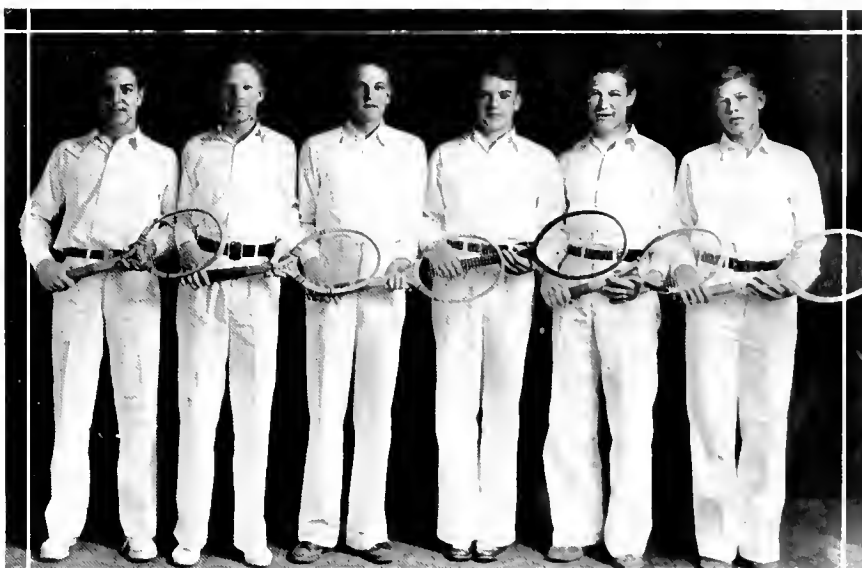

Dyar, Maddix, Baker, Hamilton, Skaggs, Barker, Lykins, Gibson, Parker, Mullins, Moore, Jackson, Ratliff, Priez, Caudill, Winburn, Combs, Potter, Henderson, Fowler, Heare, Teaney, Bailey, Hatton, Ockerman, Allen, Hatfield, Puckett, Brashear, Fielder, Cyrus. CROSS COUNTRY

Hendren, Moore, Caudill.
Taylor, Linden, Winburn (not in picture).

TENNIS TEAM

Morton, Maggard, Keith, Hendricks, Bollinger, Huntington.

TENNIS: The Academy tennis team is weakened somewhat this year by the loss of some of its best material, but the members are fast getting into trim and will work all the harder to keep their standing of previous years.

THE ACADEMY WOMEN'S ATHLETIC ASSOCIATION

The purpose of the Academy Women's Athletic Association is to promote interest in all sports and physical activities for all in order to further physical efficiency, scholarship, and good fellowship.

The Executive Board of the W. A. A. consists of the president, the vice-president, secretary, and treasurer who are elected by popular vote the year before they take office. At the first meeting of the year this board decides on the major and minor sports for the different seasons and chooses managers for these sports.

The two boards, the Executive Board and the Managerial Board, meet together twice a month to discuss plans for the Sports Program and to help each other with any problem that may arise out of the managing of the sports.

A member may earn one hundred points for each major sport she qualifies for and fifty points for each minor sport. When a member has a total of three hundred points she receives felt numerals, for six hundred points the chenille BA, and for nine hundred points, the highest award, she receives an Old English A.

MANAGERIAL BOARD

A GUIDING HAND

On the Plow of Progress

BEREA COLLEGE, directing as it does the lives of Kentucky youth along the straight furrow that leads to spiritual and business success, is deserving of the greatest credit.

These newspapers, which have had as their aim for more than a century the development of the finer qualities in man, as evidenced in better citizenship, are proud of the part that Berea College has played toward the accomplishment of this ideal.

Berea College, we congratulate you!

BUY GOOD PRINTING

Bids for patronage on a basis of price alone get small response from people who know the true worth of good quality in Printing. They prefer to pay the slight difference in the cost of good printing over mediocre printing because of the vastly superior RESULTS obtained—and RESULTS, of course, are paramount.

Berea College Printing is not, in any sense, cheap printing. It is produced by skilled craftsmen to meet the exacting requirements of its users. But, measured by the standards of real service and satisfaction, it is, after all, the least expensive.
